Adventures of Huckleberry Finn AP Lang & Comp Frick

Use your annotations through the end of ch.	21 to answer the following questions with as many details as you can. Make	sure
you include page numbers with your answers		

you	you include page numbers with your answers.		
1.	What are two or three examples of Twain using satire so far in the novel? What was his message/purpose in each example:		
2.	What are two or three examples of Twain commenting on The American Dream?		
3.	What are two or three examples where you see Twain discussing Power/Weakness/Authority?		
4.	What are two or three examples where you see Twain discussing Privilege and Equity?		

5.	What are two or three examples where you see Twain discussing How People are Valued?
6.	What questions do you have about the novel so far? Try to include lots of small questions and a few medium and large questions too. This is a good place for you to ask about something in the book that didn't make sense when you read it.
